No.	Ref.	Question	Answer
1		<p>Given that we can now upload the EOI document on the Exficon platform, are we right to assume that there is no need to submit the original Application document to the Employer?</p>	<p>Not confirmed. Neither the PQ-document, not Addendum No. 1 mentions that upload via Exficon is applicable in this tender. Please follow the instructions of the PQ-document clearly mentioning in SP 2.4.1 and SP 3.2.1 that the original Application and copies have to be submitted in Ramallah at the address specified in SP 3.2.1.</p> <p>Please note that SP 2.4.1 mentions "Nevertheless, immediately after opening of the hard-copy Application document, you will be contacted via e-mail to upload a soft copy of the Application document on an upload link. The soft copy must be a PDF file which is suitable for character recognition and which is searchable and unalterable (no scanned files)." The mentioned upload link is not via the exficon platform, and is only to avoid potentially jeopardizing the timely delivery by custom authorities due to soft copies via CDs, DVDs, USB-sticks or similar. The mentioned upload link (One Drive Link) will be shared by the Tender Agent only after opening. Only Applicants that successfully submitted their documents in Ramallah at the address specified in SP 3.2.1 and complaint with the provisions in the PQ-documents will be contacted via e-mail by the Tender Agent.</p>
2		<p>Given that the EOI document is to be uploaded on Exficon, does it mean there is no need to send the original Power of attorney to the following address: Sophia von Dobschütz Gewerbegebiet Schwabering 13 83139 Söchtenau. Germany And accessorially, there is no need to include in the application a written proof (e.g. by the post deliver< service) that the original Power of attorney was delivered on time at the above-mentioned address.</p>	<p>Not confirmed, the Application cannot be uploaded on Exficon.</p> <p>Addendum No. 1 clearly specifies that the hard-copy submission of the signed Original Power of Attorney to the Tender Agent is an exception / additional option in order to facilitate hard-copy submission for international bidders.</p> <p>Please note if bidders cannot ensure timely submission of the signed Original Power of Attorney to the address specified in SP 3.2.1, only the signed Original Power of Attorney shall be sent to the Tender Agent, no other original documents.</p> <p>Please note that the written proof is still required in the application as specified in Addendum No. 1.</p>
