1. Open issues from the technical evaluation:

- Regarding working schedule and staff input: KEs & NKEs are solely freelance experts; request a methodology how institutional knowledge from the two JV companies is ensured in a practical, hands-on manner.
- Regarding proposed experts: replace KE3 due to trust concerns; confirm experts' availability in the field.

2. Open issues from financial evaluation:

- Clarification on travel to Gaza for average two days per month as per the TOR instructions
- Clarification on the cost item security measures.

3. Other aspects: roof of registration as per the Tender Documents, RfP DS 16.3
